

Gateway Biblical Counseling Financial Worksheet

Income (total of all income): _____

Less (minus)

Mortgage/Rent: _____

Credit Debt: _____

Utilities/Phone: _____

Car/Gas/insurance: _____

Other (please list what): _____

Total left: _____

Gateway Biblical Counseling believes that seeing people in a ministry fashion is important. GBC also believes if you can pay the full fee that it is because God has allowed you the finances to support your own mental health process and the ministry. If you cannot afford the 115.00 fee per hour based upon the above worksheet, then we will work with you to assure that you can receive a counseling benefit.
